JOURNEY OF FAITH

We are on a long and eventful journey. Today's readings for Trinity Sunday succinctly cover the depth and breadth of our human travels.

The very beginnings of our journey are revealed in the reading from Proverbs. God's plan filled with divine wisdom was born before the earth was made. In today's Gospel, Jesus speaks of his own personal journey. He has come from the Father and will return to the Father. Only then will the Advocate—the Spirit of Truth—take us onward.

This does not diminish the fact that the journey will be hard. The very setting of the Gospel is the night before Jesus died. As Saint Paul writes to the Romans, "[W]e even boast of our afflictions, knowing that affliction produces endurance, and endurance, proven character, and proven character, hope" (Romans 5:3-4).

Ultimately, our human journey is modeled by the Holy Trinity—a family of love among Father, Son, and Spirit that we are all called to emulate.

CATHOLIC CHARITIES

Tutors are needed for their tutoring program every Thursday between 4-6:00pm, at the Elizabeth Ann Seton Residence. This family shelter is a unique program in Long Beach and demonstrates the community's concern for providing temporary housing for families in crisis. It is imperative that our children receive adequate tutoring during these difficult times. For more information, please contact: Vicki Calhoun (562)305-7677 or vickycalhoun@gmail.com

USHERS

ST. BARTHOLOMEW TO GO "GREEN"

The Finance Committee has adopted a new policy making it a priority for the Church to, whenever possible, adopt environmentally friendly methods of maintaining the church and its programs. To this end parishioners will, over the ensuing months, begin seeing subtle changes such as energy saving lighting, use of recycled paper, installation of energy-saving devices on appliances, low flush toilets and others. We are asking for the assistance of any parishioner with knowledge on this subject to conduct an "energy audit" for our use. Anyone that meets these criteria is asked to contact the coordinator of this project, Dan Gooch, at dgooch@socal.rr.com, or (562)896-0475.
