### BE LIKE THE SAMARITAN

The parable in today's Gospel is one of the best known of all the teachings of Jesus. The term "Good Samaritan" has been used to name various charitable organizations and is even the official name of one state's emergency roadside assistance program that helps stranded motorists. With the prevalence of the terminology used to describe various activities in our day, we might be led to forget the message of this Gospel passage. This man, this Samaritan, was the only one who offered the beaten man help. Samaritans, remember, were considered the lowest of the low in the time of Christ. A good Jewish person would not even have gone near a Samaritan for fear of being rendered impure. The Samaritan was motivated solely by the sense that the poor man needed help. He didn't care about religious or social status. And Jesus' message is that we are to do the same.

**NATIONAL NEEDS COMBINED COLLECTION**

“Sharing the Good News”

This special collection makes it possible for us to continue strengthening Catholic faith, value and education through the Catholic Communication Campaign’s television, radio and print messages. It helps support some of the poorest dioceses in the country that depend on annual collections—it’s support of the Black and Indian Home Mission provides aid to some of the neediest African-American and Native American communities. It enables us to insure the highest standards of quality Catholic education through the Catholic University of America’s exceptional programs of scholarship, research, and service, and it strengthens the Church at home, helping to provide basic pastoral resources and services to needy ethnic communities in scattered and isolated areas through the Catholic Home Missions Appeal. Envelopes are in the pews for this collection next weekend.

**NEW LIFE BEGINNINGS**
