If you would like to help or if you know of someone who needs assistance, contact: Linda Gager (562)433-2985. Sponsored by our Parish Community Group.

School Based Clinic Expansion—Oppose

AB2560, *Public School Health Center Support Program*, would expand school based clinics and health centers across California. School based clinics have proven to stimulate teenage promiscuity through confidential access to contraceptives and abortion referrals. Accountability to parents is lost. Phone, fax, or write and urge our Governor to VETO AB2560. Schools are for education, not medication, and other agencies already exist for medical care. Governor Arnold Schwarzenegger, State Capitol Building, Sacramento, CA. 95814, 213-897-0322, 916-445-2841, Fax: 916-445-4633; governor@governor.ca.gov.
